ACTIVITY BOXES...

Each station has a box in the day room containing supplies for residents to use when not in structured activities. Activity Boxes include some of the following:

- Baby dolls/Stuffed Animals
- Coloring books & Crayons
- Word Searches
- Balls
- Large Puzzles
- Picture Books
- Stationary Supplies
- Magazines (Home, Cooking, Cars etc)

Please encourage your loved one to utilize these activity boxes during their leisure time.

the resident's inventory sheet. When a resident enters the facility they are greeted by a CNA who assists them with unpacking. Items are listed on an inventory sheet, which is placed in the residents chart. If new items are brought in , it is the responsibility of the family member to let the nursing staff know so that those belongings can be added to the inventory sheet.
